- Clarification is required regarding the number of applications being made. The supporting letter reads that there are 2 applications, one full and one outline, but it is not clear what the outline application is for.
- There is limited information about drainage.
- A member of the public and close neighbour has commented that there is some confusion over the numbering of properties.
- The setting is in an agricultural area so there are questions over the intrusion of development into such a site, as well as concerns over setting a precedent of allowing development in such an area.

Cllr. Carty proposed that MPPC's response should outline the concerns expressed and state that at this stage is unable to support or object to the application until more/clearer information has been provided; seconded by Cllr. Phillips and resolved unanimously.
